

Our Dear Parents,

Greetings of Peace.

Educational institutions all over the world have been affected by the COVID-19 Pandemic creating restrictions and limitations aimed at safeguarding the health of all. However, despite these challenges, and pursuant to the directive of no less than the Department of Education, learning must continue with the observance of acceptable health standards.

Social distancing shall be observed even after the lockdown and it shall be imperative for schools to come up with other flexible learning options to cope with the existing setup brought about by the COVID-19 Pandemic.

St. Benedict School of Novaliches, Inc. (SBSN) remains committed to provide our learners with quality education even through these trying times. Subject to subsequent directives of the Department of Education, Department of Health and the Inter Agency Task Force, SBSN shall be adapting blended learning approach whereby learners shall be afforded access to learning modules, online interaction and when permitted, face to face interaction. We shall however advise you promptly on any changes and updates on the matter.

Starting June 1, 2020, our teachers will undergo the necessary training to prepare for School Year 2020-2021. Likewise, SBSN undertakes to disseminate the appropriate training modules for all parents in order to adequately guide our learners in answering learning modules at home. In the meantime, kindly be advised of the following schedules:

ONLINE DISTRIBUTION OF REPORT CARDS FOR SY 2019-2020	Starts on May 22, 2020
